

Kittery School Department

Educating For Life

2008-2009 GOAL STATEMENTS

1. The Kittery School Committee will provide the leadership to ensure the highest possible level of student achievement through analysis of student learning with specific emphasis on improving achievement in math and literacy.
2. The Kittery School Committee will provide the leadership to successfully complete the three (3) school plan, and
 - a. Support efforts to implement an effective Capital Improvement Plan (CIP) process to satisfactorily meet the short and long term facility needs of the School Department;
 - b. Support efforts to create an energy efficient School Department; and
 - c. Support policies, procedures and practices that enable the School Department to operate at the highest level of efficiency.
3. The School Committee will provide the leadership to develop effective working relationships with Town Council, municipal boards and departments, and the public.
