

SCHOOL VOLUNTEERS

The Committee recognizes the valuable contribution to the education goals made by volunteers and the need to develop a volunteer program to support school system instructional programs and co-curricular activities. The purpose of the volunteer program will be to:

Assist in providing more individualization and enrichment of instruction;

Build an understanding of school programs among interested citizens, thus stimulating widespread involvement in a total educational process; and

Strengthen school/community relations through positive participation.

A volunteer is a person who works on an occasional or regular basis at school sites or other educational facilities to support the efforts of professional personnel. Such an adult volunteer worker will serve in that capacity without compensation or employee benefits of any type.

Use of volunteers within the school system is not to conflict with or replace any regularly authorized personnel position.

Volunteers will work with students under the immediate supervision and direction of a certificated person.

Volunteers are expected to comply with all rules and regulations set forth by the school system.
